## Group Information

Official internal group for SFteam members of the company SFT21.

This group serves as our central platform for communication, collaboration, and project management related to the development of the SFT21 Business Concept.

We use it for:

- Sharing strategic ideas and goals
- Discussions on project progress and sharing important documents
- Announcements regarding webinars, meetings, and other vital information
- Knowledge exchange within the team

The goal is to create an inspiring environment for focused work and the effective realization of the SFT21 Business Concept.

The group is private, meaning its content is accessible and intended primarily for registered members of SFT21. However, non-registered potential members of our community may also request access, provided they:

1. Provide their full **FIRST** and **LAST NAME**,
2. Provide their **EMAIL** address,
3. Indicate whether they are a "**REGISTERED MEMBER**" or a "**POTENTIAL MEMBER**",
4. **MANDATORILY** check the box to confirm they **AGREE** to the **GROUP RULES**.

Access to the group will not be granted unless all four steps are completed.

Thank you for your understanding.

Welcome!

Group rules from the admins

## 1. Professionalism and Respect

Members are expected to maintain a professional and constructive tone. Any form of harassment, hate speech, belittling, or unprofessional behavior is strictly prohibited. Our goal is to support one another in a community that fosters family and friendly relations, built on a foundation of moral, cultural, and spiritual values.

## 2. Focus on the SFT21 Business Concept Project

This group is intended exclusively for communication, organization, and discussions related to the SFT21 Business Concept. We ask that you post only relevant topics, announcements, tasks, and information. Personal posts, jokes, or non-business-related topics are not permitted.

## 3. No Promotional or Unsolicited Content (Spam)

The posting of any commercial or promotional material, other business opportunities, chain letters, giveaways, or external links that are not directly related to the current operations of SFT21 is strictly forbidden.

## 4. Responsible Questioning

Before posting a question, please check if the information or discussion has already been covered in previous posts. This helps us maintain an organized group and prevents unnecessary repetition.

## 5. POSTING CONTENT WITH NEGATIVE CONNOTATIONS

**PART 1:** One of the fundamental business rules of SFT21 is the prohibition of writing and publicly posting negative texts, photographs, videos, or any other material regarding the company, its operations, its owners, employees, or members via the internet or any other public media (newspapers, television, radio, etc.). This rule applies equally to this group.

## 6. POSTING CONTENT WITH NEGATIVE CONNOTATIONS

**PART 2:** If you encounter a problem, misunderstand something, have a critique, complaint, or proposal, or feel any form of dissatisfaction regarding the operations of SFT21, you are **REQUIRED** to first contact the company in writing. You can do this by using the **"Support"** function found on the dashboard pages within your **SFOffice** or by emailing [official@sft21.com](mailto:official@sft21.com).

## 7. POSTING CONTENT WITH NEGATIVE CONNOTATIONS

**PART 3:** After analyzing your "problem," you will receive an explanation containing reasons, arguments, and facts clarifying the situation. This will help you understand the context and why publicizing the issue might or might not be advisable; alternatively, you may receive consent to post it if you so wish. **REGARDLESS OF THE COMPANY'S STANCE, OPINION, OR RESPONSE, THE USER RESERVES THE RIGHT TO DECIDE FOR THEMSELVES AND PUBLICLY POST THE PROBLEM WITHOUT ANY SANCTIONS, PROVIDED THAT THEY POST THE RESPONSE RECEIVED FROM THE COMPANY ALONGSIDE THEIR PROBLEM.**

## 8. POSTING CONTENT WITH NEGATIVE CONNOTATIONS

**PART 4:** Any member who posts content with negative connotations regarding the company, its business, its owners, employees, or members **WITHOUT PRIOR WRITTEN COMMUNICATION WITH THE COMPANY**, will be removed from the group, with the potential termination of business cooperation with the company.

## 9. Obligation to Answer "Membership Questions"

A new member may be invited to the group by an existing member or may submit a request to join on their own. In both cases, it is **MANDATORY** to answer the membership questions and check the box confirming they **AGREE TO THE GROUP RULES**; otherwise, access to the group will not be approved.

By clicking "SUBMIT",  
your request to join the group is officially received.

Once the group administrators review the submitted request, it will be approved provided that ALL required information has been entered and the member has agreed to the group rules..

If any required information is missing or the member has not confirmed their agreement with the group rules, the request will not be approved.

In such cases, a group administrator will send a message to the member requesting the missing information, with a note that the request will remain active for seven (7) days, after which it will be removed from the list.

If you invite another person to join the group, you are **REQUIRED** to contact and inform them that you have invited them to the SFteam (SFT21) group.

If you are invited to join the group but do not wish to do so, simply decline the request or ignore it. After seven days, the request will be automatically removed from the list.

If your request is removed from the list, you can always resubmit it at any time in the future.
